November Meeting

I have a special announcement, the meeting topic and location this month has been changed to accommodate a lecture being brought to us by compeer Sean Doolan. It will be held at Christ Church, 35 State Street, Troy, NY 12180. William Bradshaw is an award winning magician based out of the twin cities. By combining theater training with magic principles he excels at bringing an entertaining show which leaves his audience spellbound. He has just finished a month long engagement in the world famous freemount experience in Las Vegas where he performed classic street busking for over 10,000 people. This should be a great lecture. See you there. Snacks will be served at the meeting, see you at 7:30pm on Tuesday at the regular meeting place. More info on William is at www.willmagi.com.

It's official! Doc Swan will be this years entertainment for the Magic Holiday Party. This year the party is welcoming our friends from Ring 186 to join us for a night of great food, great company and some awesome magic.

This is a tentative schedule that is subject to change. Please check for updates each month.

Please be current on your dues. That is what helps pay for the programs we have. You can send your dues to Bob Connors, Box 245, Round Lake, 12151. Make them payable to SAM 24 for \$20.

Deputy of Assembly 24

As your Deputy I want to make it a point to keep you informed about the SAM. If you have a question please feel free to contact me at joe@magicmelvin.com.

Dues are Past DUE *****

Dues are still only \$20.00 for the year, and what a bargain! You must be a current member of the national SAM to be a local member. This is not a rule that I have made, we choose to be members of a national organization and therefore we have rules to follow. Guests are always welcome, but they still must pay for the lecturers that cost the club money. Your dues help make a lot possible. Please mail them directly to Bob Connors, Box 245, Round Lake, 12151 or bring them to the next meeting.

The Kinnicutt

I am currently planning a banquet in their honor of Jean and Clem as a token of appreciation for all everyone they have faithfully served over the years. Taking place this Winter!

October Meeting – Joe Goode

The Helen Patti Lecture Series ended on a high note. The Jay Scott Berry lecture was solid. Great routines, amazing magic and a humble man sums up Jay Scott Berry. We had a great attendance thanks to our friends from the IBM letting us share the stage. See you next month.
