November Meeting

This month we will have our Tarbell Course in Magic meeting. We will be meeting once again at the firehouse in Latham. Address is just to the left. Dust of any one of your Tarbell books and find something good. With so much to choose from it may be difficult I know you can do it. See you Tuesday at 7:30.

Magic News...

Jay Gorham will be visiting the area and compeer Bob Connors will be hosting a gathering on Monday November 8th, the night before the meeting. Jay is of course a dear friend to many of us and it will be good to see him. Please bring a small appetizer, snack, dessert, or even a box of popcorn. The reception will start at 7:00pm.

Compeer Bill Karabin found an article on Houdini which is attached to this e-mail. There is a Houdini exhibit in New York City going on through March of 2011. For more details see the attached newspaper clipping. Thanks for the info Bill!

Next month will be our annual holiday party. We will discuss this more at the November meeting.

If you have any news to contribute, please e-mail me at sam24@magicmelvin.com.

This is a tentative schedule that is subject to change. Please check for updates each month.

Please be current on your dues. That is what helps pay for the programs we have. You can send your dues to Bob Connors, Box 245, Round Lake, 12151. Make them payable to SAM 24 for \$20.

Dues are PAST DUE

Dues are still only \$20.00 for the year, and what a bargain! You must be a current member of the national SAM to be a local member. This is not a rule that I have made, we choose to be members of a national organization and therefore we have rules to follow. Guests are always welcome, but they still must pay for the lecturers that cost the club money. Your dues help make a lot possible. Please mail them directly to Bob Connors, Box 245, Round Lake, 12151.

The Web Site – Pictures of the last meeting

Want to see pictures of the last meeting, visit www.sam24.org. Please take a moment if you have not and fill-in or [update your member information](#). Compeer Dave MacDonald has worked long hours and produced a fantastic website. Check out the [clip of the month](#) which shows a classic clip of Channing Pollock performing some amazing sleights.

Fundraiser for Assembly 24 – We need a Location – Offer a place if you know one.

Currently Compeers Dave MacDonald and Roger Borgen are working to secure a date and location. Once the date is secured, I will send out a volunteer request, we will need performers, ticket takers, people to sell things, etc... in other words I would love to see as many members as possible to help.

Possible Joint-Meeting

Our Dean of Assembly 24, Clem Kinnicutt, has made contact with Sam Patton of the Poughkeepsie Assembly about have a joint meeting at Kozels Restaurant in Ghent, NY. This was the same meeting house of the clubs many years ago. I have tried to contact Sam about a date and have not heard back yet. I will keep you posted as updates become available.

October Meeting by Joe Goode

October's Meeting was Fantastic. Our old friend and compeer Craig Dickson gave an amazing lecture on everything. Although the magnets were my favorite, everyone had a great time. Thank you Craig and you are welcome to visit anytime!
